Customer Onboarding & Field Deployment | Hands-On Project Lead | Trainer Who Makes Complicated Things Simple

SUMMARY

Practical, people-first operator who has owned rollouts from handoff to finish: 50+ client projects at a Philadelphia creative agency, including leading on-site install crews, followed by 10 years teaching in international schools, where I trained adults and kids, kept 20–25 families a year on side, and ran real-world projects from planting microgreens to full-scale events. Comfortable being the one reliable point of contact, working independently, and adapting when conditions change. Based in Broomfield, 20 minutes from Boulder, and ready to spend real time in the field.

PROFESSIONAL EXPERIENCE

Shen Wai International School (SWIS) | Shenzhen, China 2023 – 2026

Grade 4 Teacher, IB Primary Years Programme (PYP)

- Onboarded a new teaching assistant into daily routines and trained the Grade 4 team on a new planning workflow; the whole team adopted it.
- Main contact for 20–25 families a year; handled high-needs situations across cultures with plain, direct communication and kept everyone aligned.
- Partnered weekly with the team lead and curriculum coordinator to keep the grade aligned and on schedule.

Shenzhen American International School (SAIS) | Shenzhen, China 2020 – 2023

Grade 3 Teacher: Math, Science, English Language Arts, Humanities

- Led the Grade 3 Exhibition of Learning for a microgreens-growing project, from planting and daily care to the final showcase.
- Designed and ran the grade level's project-based curriculum: real-world projects, built and tested with students.
- Served on the school's hiring interview panel.

The Bay School • Keyword Education | Shenzhen, China 2016 – 2020

English Teacher (The Bay School, 2018 – 2020; Keyword Education, 2016 – 2018)

- Planned and produced school events (concerts, drama productions, sports days) from concept to the day itself: logistics, people, timing, and fixes on the fly.
- Adapted lessons for a wide range of ages and learners; taught in a second language environment for 10 years.

Wallsome / Replica Creative | Philadelphia, PA 2014 – 2016

Web Manager (client projects, on-site installs & account management)

- Led on-site installation teams for large-format graphics and installations for the University of Pennsylvania, Drexel, Temple, and the air stairs for the Pope's 2015 Philadelphia visit; owned each job from client sign-off to the finished install.
- Owned 50+ client projects end to end as the single point of contact: scoped the work, set timelines, coordinated 2–5 person crews of designers, print production, and installers, cleared blockers, and handed off clean.
- Project-managed an eCommerce point-of-sale build as primary liaison to third-party developers.
